Hi Jose,

I am not sure why those were not closed out. I apologize, I am closing them out now. I've instructed the person in charge to close them out accurately going forward.

I've reached out to the supervisors in regards to the Downtown LA locations. Downtown LA authorizations will remain open for 90 days, therefore, if a location is not out it will still remain open but will be documented.

Please find attached posting surveys and posting details below and I will get back to you with completion details,

Hi,

I reviewed our AMS list vs Posting surveys on the CD1 CARE+ days.

I highlighted in red on the authorized and pending tabs all locations that were surveyed and nothing was out. My understanding is if it was surveyed it was moved to the completed category.

I highlighted in green on the authorized tab all locations that were scheduled for CARE+ DTLA for 1/17 but dont know status.

Pls advise.

Thanks,
